Pierce Waste Oil
Compliance Inquiry Letter

Dear Ms. LaDage:

This letter is in reply to your subject July 29, 1986 letter concerning Manifest #1350030 and your April 9, 1986 letter.

Our Springfield office has advised me that on April 18, 1986, a marked up copy of your April 9, 1986 letter was sent to the Illinois EPA along with a photocopy of one of the copies of Manifest #1350030, showing the waste oil under the manifest was received at our Springfield Facility.

Since your July 29th letter indicates you did not receive our April 18th transmittal, another photocopy of the completed manifest #1350030 is enclosed showing the waste oil was received at our Springfield Facility. Please accept this enclosure and this letter as documentation of receipt of the waste oil at Springfield.

Very truly yours,

Ronald E. Stoker
Manager of Environmental Affairs
